ABOUT

Clearwater Little League, a non-profit organization, relies on volunteers, sponsors, and donations to help 700+ young people annually build character, learn team work, and achieve a healthy lifestyle through baseball and softball.

The league is volunteer-driven, with 200+ volunteers dedicating 10+ hours weekly.

Our partnership with the City of Clearwater provides affordable facilities which helps us to reduce overhead. This helps us keep player registration fees accessible to all families.

Through support from Clearwater for Youth and national little league partners, full scholarships are made available to players in need.

Clearwater Little League spends 76% of our annual budget on providing an elite play experience and a mere 8% on administrative costs.

Please consider becoming a league or team sponsor today.

Dear Community Supporter,

We invite your business to support Clearwater Little League in providing a great player experience for our baseball, Challenger, softball, and tee-ball programs. Your sponsorship will ensure access for every child who wants to participate and covers costs associated with player development such as how to be exemplary leaders, demonstrate respect & resilience, and make positive choices.

Financially supporting Clearwater Little League offers your business community engagement, positive brand exposure, and potential tax benefits. We offer various sponsorship levels and can create a custom package to meet your needs. Through your generosity players' lives will be enriched and our community strengthened.

Team and League sponsorships provide name recognition in the Little League community. Our Team packages provide familiar benefits, while our new league packages enhance visibility with maximum field banners, inclusion in league communications, and event recognition in exchange for a substantial investment in the organization.
